Are you ready to unlock your true potential and live a life filled with purpose and meaning? In her groundbreaking book, *Encodements: Your Smallest Energy Structures*, acclaimed energy healer and teacher, Akasha, reveals the hidden world of energy structures that shape our lives. These encodements, as she calls them, are the smallest units of energy that make up everything in our universe, including our own bodies, minds, and emotions.

By understanding and working with encodements, we can transform our lives in profound ways. Akasha provides a comprehensive guide to understanding these energy structures, including their different types, properties, and functions. She also shares a powerful set of tools and techniques that you can use to activate, balance, and clear your encodements, leading to a more fulfilling and empowered life.

What you will learn in *Encodements*:

- The nature and importance of encodements in your life
- How to identify and clear blockages in your encodements
- Techniques for activating and balancing your encodements

- How to use encodements to create positive change in your life
- The power of consciousness and intention in working with encodements

Encodements is a must-read for anyone who is interested in personal growth, energy healing, or consciousness expansion. This book will empower you to take control of your life and live in greater harmony with your true self.

“ "Encodements is a profound and transformative work that has the potential to change your life. Akasha's insights and practical tools will guide you on a journey of self-discovery and empowerment."

- Dr. Joe Dispenza, author of Breaking the Habit of Being Yourself ”
