Essays In Honor Of Muzafer Sherif is a comprehensive and insightful collection of essays that explores Sherif's pioneering work. This book is a must-read for anyone interested in the history of social psychology, the psychology of intergroup relations, and the application of social psychological theory to real-world problems.

The book is divided into four parts. The first part, "Sherif's Legacy," provides an overview of Sherif's life and work. The second part, "Intergroup

Relations," explores Sherif's classic studies on intergroup conflict and cooperation. The third part, "Social Conflict," examines Sherif's work on the causes and consequences of social conflict. The fourth part, "Prejudice and Discrimination," explores Sherif's work on the psychology of prejudice and discrimination.

The essays in this book are written by leading scholars in the field of social psychology. They provide a comprehensive and up-to-date overview of Sherif's work, and they offer new insights into his ideas. This book is an essential resource for anyone interested in the history of social psychology, the psychology of intergroup relations, and the application of social psychological theory to real-world problems.
