Whether you're a beginner just starting out or a seasoned birder looking to expand your knowledge, How To Know The Birds has something for everyone. The book is divided into sections by bird family, so you can easily find the information you're looking for. Each section includes detailed descriptions of the birds' appearance, habitat, behavior, and songs. There are also beautiful color photographs of each bird, so you can see what they look like in the field.

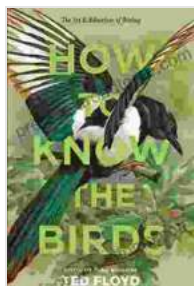

In addition to the bird identification information, How To Know The Birds also includes tips on how to attract birds to your backyard, how to build birdhouses, and how to participate in citizen science projects. There's even a section on how to identify birds by their songs. With all of this information packed into one book, How To Know The Birds is the perfect resource for any bird lover.

## **Here are just a few of the things you'll learn from How To Know The Birds:**

- How to identify over 200 species of birds
- The different habitats where birds can be found
