In the heart of Calcutta, India, amidst the teeming masses and crushing poverty, there exists a sanctuary of hope and compassion: Mother Teresa's House. For over four decades, this humble abode has been a beacon of love and service for the destitute and dying.

In 1985, Rosemary Dew, a young American woman, embarked on a life-changing journey as a volunteer at Mother Teresa's House. Her experiences there would forever alter the course of her life, instilling in her a deep sense of purpose and an unwavering commitment to serving others.

In her poignant and beautifully written memoir, ***In Mother Teresa's House***, Dew invites us into the extraordinary world of Mother Teresa and her Missionaries of Charity. She vividly portrays the daily realities of life in the slums of Calcutta, where poverty, disease, and suffering are rampant.

Through Dew's eyes, we witness the tireless work of the Missionaries, who provide food, shelter, and medical care to the most marginalized members of society. We learn about the profound spiritual dimension of their service, which is rooted in love, compassion, and a deep faith in God.

But ***In Mother Teresa's House*** is more than just a story of service. It is a testament to the transformative power of love. Dew recounts her own personal journey of growth and transformation as she learns to embrace the challenges and rewards of serving others.

She discovers that true compassion is not simply about giving handouts, but about recognizing the dignity of every human being, regardless of their circumstances. She learns the importance of presence, of being fully present to the needs of those around her.

Through her experiences at Mother Teresa's House, Dew also gained a deeper understanding of her own faith. She realized that service to others is not a burden, but a privilege, and that it is through serving others that we truly find our purpose in life.

In Mother Teresa's House is an inspiring and moving account that will resonate with anyone who has ever longed to make a difference in the world. It is a story of hope, compassion, and the transformative power of love.

Rosemary Dew's memoir is a must-read for anyone interested in Mother Teresa, Calcutta, or the power of service. It is a book that will challenge your assumptions, open your heart, and inspire you to live a life of greater purpose and compassion.
