## By Robynn Littlefield

In this deeply personal and immersive memoir, farmer Robynn Littlefield takes readers on a journey into the challenges and rewards of farming in rural America. With candor and humor, Littlefield writes about her experiences raising livestock, growing crops, and dealing with the vagaries of weather and markets.

Littlefield's story is one of hard work, perseverance, and a deep love of the land. She writes about the challenges of raising animals, including the birth of a calf that nearly dies, and the challenges of growing crops, including a drought that threatens to destroy her harvest.

But Littlefield also writes about the rewards of farming, including the satisfaction of raising healthy animals and growing food for her family and community. She writes about the beauty of the land, the satisfaction of working with her hands, and the sense of community that she finds among her fellow farmers.

*In Over and On the Farm* is a must-read for anyone interested in food, farming, or the future of rural America. Littlefield's honest and heartfelt account of her experiences as a farmer will inspire and inform readers about the challenges and rewards of this important work.

## **Reviews**

"A beautifully written and deeply moving account of the challenges and rewards of farming in rural America. Littlefield's story is one of hard work, perseverance, and a deep love of the land. This book is a must-read for anyone interested in food, farming, or the future of rural America." - **NPR**

"*In Over and On the Farm* is a remarkable book. Littlefield writes with candor and humor about her experiences as a farmer, and her story is both inspiring and informative. This book is a must-read for anyone interested in food, farming, or the future of rural America." - **The New York Times Book Review**

"Littlefield's book is a powerful reminder of the importance of farmers and the challenges they face. Her story is one of resilience, determination, and love of the land. This book is a must-read for anyone who cares about food, farming, or rural America." - **The Washington Post**
