

Josephine Baker and the Rainbow Tribe: A Journey of Love and Acceptance

Josephine Baker was a true original. A singer, dancer, actress, and civil rights activist, she rose from humble beginnings in St. Louis to become one of the most famous and beloved entertainers in the world. But beyond her glamorous public persona, Baker was also a deeply compassionate and generous woman who dedicated her life to helping others.

In 1950, Baker adopted twelve children from all over the world, creating a family that she called the "Rainbow Tribe." These children, who came from different races, religions, and backgrounds, were all treated with love and respect by Baker, who saw them as her own. The Rainbow Tribe became a symbol of Baker's belief in the power of love and acceptance, and it inspired others to challenge the prevailing prejudices of the time.
