From the acclaimed author of *Juno & Me*, *Perfect Sound Whatever* is a captivating and unforgettable novel about loss, love, and the power of music.

When Sam's beloved wife, Laura, dies suddenly, he is left reeling in grief. Laura was the love of his life, and her loss leaves a gaping hole in his heart. But as Sam struggles to come to terms with his new reality, he finds solace in an unexpected place: music.

Laura was a passionate music lover, and her record collection is a constant reminder of her. Sam begins to listen to her records, and he finds himself transported back to happier times. The music fills the emptiness in his heart, and it helps him to feel connected to Laura once again.

But as Sam delves deeper into Laura's record collection, he begins to discover secrets that she kept hidden from him. He learns about her past relationships, her struggles, and her dreams. And as he listens to the music that she loved, he begins to understand her in a way that he never did before.

***Perfect Sound Whatever* is a beautifully written and emotionally resonant novel that explores the power of music to heal, to inspire, and to connect us with the people we love. It is a must-read for fans of literary fiction, music lovers, and anyone who has ever experienced loss.**
