

The Finest Hour: The Human Cost of D-Day

By Alex Kershaw

A gripping account of the D-Day landings, told through the eyes of the men who fought there.

On June 6, 1944, the Allied forces launched the largest amphibious invasion in history. The D-Day landings were a turning point in World War II, and they played a major role in the Allied victory. However, the landings also came at a great cost. More than 9,000 Allied soldiers were killed or wounded on D-Day, and many more were traumatized by the experience.

In his book, *The Finest Hour: The Human Cost of D-Day*, Alex Kershaw tells the story of the D-Day landings through the eyes of the men who fought there. Kershaw interviewed dozens of veterans, and he uses their firsthand accounts to bring the battle to life.

The *Finest Hour* is a powerful and moving account of one of the most important battles in history. Kershaw's writing is vivid and engaging, and he does an excellent job of capturing the human cost of war. The book is a must-read for anyone interested in World War II, or in the human experience of war.

Table of Contents

Key Themes

The courage of the men who fought on D-Day
