The Story of Two Friends Panda Dragon

Panda and Dragon are two very different animals. Panda is a gentle giant who loves to eat bamboo. Dragon is a fierce fire-breather who loves to fly. Despite their differences, Panda and Dragon become best friends. They learn to appreciate each other's unique qualities and find common ground in their shared love of adventure.

One day, Panda and Dragon are playing in the forest when they come across a group of other animals. The animals are making fun of Panda because of his size and clumsiness. Dragon stands up for his friend and

tells the other animals that it's not nice to make fun of someone who is different.

The other animals are ashamed of their behavior and apologize to Panda. Panda forgives them and teaches them that it's important to accept people for who they are, even if they are different from us.
