The Book that Inspires Young Explorers

Yasmin the Explorer is a groundbreaking book series created by award-winning author Saadia Faruqi. This captivating series introduces young readers to the fascinating world of STEM (Science, Technology, Engineering, and Mathematics) while celebrating Islamic history and promoting diversity representation.

Meet Yasmin, a Curious and Courageous Explorer

At the heart of the series is Yasmin, a young Muslim girl who is passionate about exploring the world around her. With her trusty magnifying glass in hand, Yasmin embarks on adventures that take her across different countries and time periods, uncovering the hidden stories of scientists, inventors, and explorers from diverse backgrounds.

Exploring STEM through Islamic History

Yasmin's adventures are not only entertaining but also educational. Each book in the series focuses on a specific STEM topic, such as astronomy, chemistry, or engineering. Through Yasmin's journey, young readers learn about the contributions of Muslim scientists and inventors throughout history, inspiring them to pursue their own dreams in STEM fields.

Empowering Young Readers

Beyond its educational value, Yasmin the Explorer is a powerful tool for empowering young readers. Yasmin's character embodies the qualities of curiosity, confidence, and compassion. She shows young girls, especially those from underrepresented backgrounds, that they too can be scientists, explorers, and leaders.

Praise for Yasmin the Explorer

"Yasmin the Explorer is a groundbreaking series that celebrates diversity, promotes STEM education, and empowers young readers. It is a must-read for any child who is curious about the world around them." - Kirkus Reviews

"Saadia Faruqi's Yasmin the Explorer series is a triumph. Not only is it educational and engaging, but it also sends a powerful message of inclusion and empowerment to young readers." - The New York Times Book Review
